# Welcome Message

## Dear Colleagues,

We like to share with you the pleasure and excitement of setting forth in our upcoming meeting the first collaboration between the Lebanese society of Otolaryngology Head and Neck Surgery, the Alexandria Society of Rhinology and Delta Society of Otolaryngology Head Neck Surgery that will take place during the Lebanese – Egyptian Otolaryngology Head and Neck Surgery conference on May 16-18, 2013 in Beirut –Lebanon.

Embarking on such a mission is not an effortless endeavor. Yet, the budding of the concept drives us on. To see all your colleagues meet in such an educational gathering proves to be rewarding for all of us. During this conference, you will have the opportunity to marvel at the most recent advanced information and be captivated by some of the most fundamental research in the field. As attendees, you will have the opportunity to exchange ideas and experiences with colleagues that you might not have otherwise met. Furthermore, this occasion is particularly beneficial to our Arab societies for it stresses the significance of our collaboration and the motivation to serve our community by enhancing excellence in medical knowledge and care.

This conference in Beirut is just the first of several ones between our societies. We truly hope that you not only benefit from this meeting but also enjoy your stay in Lebanon.

We look forward to a gratifying and inspiring medical convention.
